MANUFACTURING 500PCS/DAY*

We manufacture most of our articles at one place with our in-house skilled tailors. This allows us to maintain high quality standards, as we have complete control over the production process.

We also can customize our products such as: sizing, styles, printing, etc., to meet the unique needs of our customers. Our skilled tailors can create bespoke pieces that are tailored specifically to the measurements and preferences of our clients.

Products sampling:

After we receive the order, we make 1 sample of each product as per the client's requirements before moving to start the complete production to ensure the things are going well on track.

STARTING MOQ: 50PCS

PRINTING

We help our clients to choose from multiple printings options. Our team understands that every client is unique with their own specific needs, which is why we offer a range of printing options to choose from. Whether you're looking for a specific levels of puff prints, finish or size, we've got you covered.

We work closely with our clients at every stages to ensure that their printing needs are met, and that the final product is nothing short of exceptional. From water based to ink-based HD prints, basic tshirts to encrypted woven names on fabric, we've got the experience and expertise to help you make the right choice.

So why not get in touch with us today to see how we can help you with your printing needs?
